

Hurricane Irene and Tropical Storm Lee Recovery How you can help

FUNDS are needed throughout the 26 counties that FEMA has designated for federal disaster response. There is also damage in other counties within central and eastern Pennsylvania that have not been included in the federal declaration.

You are encouraged to make monetary donations either to your denominational disaster response designated for “PA Flooding.” **OR** to “**Christian Associates –Long Term Flood Recovery.**” (Send to 204 37th Street, Suite 201, Pittsburgh, PA 15201) All funds received by Christian Associates will be allocated to the flood recovery.

VOLUNTEERS are needed in the impacted areas for clean-up and reconstruction. Since Long Term Recovery Committees are still in the process of being organized, if you wish to volunteer please contact the following VALs (Volunteer Agency Liaisons) to locate communities that are accepting volunteers:

MATERIAL DONATIONS: Do *not* collect food, clothing, furniture, appliances or any other commodities unless specifically requested by a local recovery team. Cash to invest in the local economy is far more effective, and eliminates the need to dispose of unneeded or unused items.

QUESTIONS: Contact **Pastor Don Green**, Executive Director, Christian Associates of Southwest Pennsylvania (o) 412-688-9070 or (cell) 412-302-1227.
